Become a member of the WAIB. Your membership grows our community of company's dedicated to the knowledge that our products make lives better. We aim to use the resources we have—our voice, our business, our commitment to excellence and our community—to do something about bringing the best products possible to the consumer in the safest and most effective ways.

CELEBRATING SUCCESS

REGIONAL

We see our role as regional with national implications. We are the “boots on the ground” in California.

Membership in CMTA

California Manufacturers & Technology Association here in California provides the WAIB with valuable access to Legislators, Bills being introduced to the CA Legislature and helps the WAIB keep its finger on the pulse of business issues. CMTA is another tool in our toolbox to bring you the latest information concerning issues that affect our industry.

COVID – 19 Essential Workers/Essential Industry

During this public health emergency, industry has worked together to secure safe sources of ethanol and to create additional production capacity

to meet the overwhelming demand for critical products such as disinfectants and hand sanitizers. The practice of routine cleaning and disinfecting of frequently touched surfaces and proper hand washing by scrubbing with soap and water for at least 20 seconds or using use a hand sanitizer that contains at least 60 percent alcohol continues to be a best practice method of safety and a road to recovery.
